**WATER** Water is available for free (you must provide hoses and “y” connectors). Water pressure might be low at times due to existing infrastructure.

**ELECTRICITY** Electricity for **light general use only**. Please bring 100’ of extension cord and **outdoor rated power strips** for your electrical hookup. Some locations could be further, so teams are encouraged to bring extra cords if they have them. Hookup of refrigerators, deep fryers, AC units and other appliances is not allowed. If you have higher electrical requirements than general lighting you must bring your own quiet run generator. The organizer’s discretion will apply to what defines a quiet run generator, but if your generators is rated for over 70db at 10 feet it’s probably too loud.

**ICE** Ice is available thru contest organizer during the day on Saturday and Sunday \$3 a bag.

**TRASH** Trash must be removed regularly and be deposited by each contest team in the dumpster provided, not in trash barrels placed for the use of guests. Gray water, ashes and grease must be disposed in designated collection areas and should not be dumped in cook sites.

**TOILETS** Onsite bathrooms will be open Saturday and Sunday of the contest.
